Question:	**What do you consider the instructor's strongest attributes in relation to this course?**
Response Rate:	**100.00**% (**4** of **4**)

1	knowledge of the material, and the ability to explain new ideas in a way that makes sense.
2	he cared a lot about the students, rather than just giving us the information he made sure we understood it
3	Relating the material to content that the students have learned before.
4	He is able to relate the subject matter and make connections to previous classes which we as students could not see on our own. Great teacher who knows how to get us to understand the information

Faculty:	**Joseph Christensen**
Question:	**What do you consider the instructor's areas for improvement in relation to this course?**
Response Rate:	**100.00**% (**4** of **4**)

1	the time the class was at could be earlier
2	organization, and making sure we cover everything we need to.
3	More preparation for exams.
4	I don't see any thing that he needs to fix. I have learned more in this class and retained knowledge than I have in any other class

Question:	**What do you consider the instructor's weakest attributes in relation to this course?**
Response Rate:	**50.00**% (**1** of **2**)

1	There were several times where things were supposed to be posted on MyTMC and were not, affecting my preparedness for class and tests.

Faculty:	**Joseph Christensen**

Question:	**What could the instructor do to be more effective?**
Response Rate:	**50.00**% (**1** of **2**)

1	My largest problem with the class was the homework set up. I do not feel that homework should be graded so stringently, but rather with a curve since that it where students are supposed to have room to make mistakes.

Faculty:	**Joseph Christensen**

Question:	**Other comments:**
Response Rate:	**50.00**% (**1** of **2**)

1	Probably one of the best lecturers I've had during college!
